

In order to support young people in the republic, the state program "Youth Practice" is being implemented.

The Youth Practice program is designed specifically for unemployed graduates of educational institutions implementing educational programs for technical and vocational, post-secondary education no older than twenty-nine years.

Youth practice is organized by creating temporary jobs and has the following features:

The youth practice is designed specifically for graduates to gain initial work experience in their profession (specialty) within 3 years after completing their studies in accordance with the Program for the Development of Productive Employment and Mass Entrepreneurship for 2017-2021, approved by a Government decree The Republic of Kazakhstan.

The remuneration of the participants of the youth practice is made at the expense of the republican or local budgets, as well as from sources not prohibited by the legislation of the Republic of Kazakhstan.

The number of jobs is unlimited, the work is temporary and permanent jobs and vacancies are not used for its organization.

To do this, a graduate (under the age of 29) applies to the employment center.
